In other apartment news:

Austin-based developer Oden Hughes LLC has broken ground on the first phase of a 570-unit apartment project near the bustling Southpark Meadows mixed-use development in South Austin.

Called Landmark Southpark, the first phase will have 285 apartments and amenities such as a pool, clubhouse, fitness center, gaming center and dog park. Rents will range from \$750 to \$1,700 a month.

The project is near the southwest corner of South First Street and Slaughter Lane, just across from the Southpark Meadows shopping center.

The first phase is expected to wrap up in the first quarter of 2014. A second phase, also with 285 units, will begin in 2014.
